A little pumpkin-patch adventure

Little Miss Nissa • Read together. Discover together.

Name: _____ Grown-up helper: _____

1. Wonderful words

Practice words: curious = eager to learn; harvest = gathering crops.

Tell your helper: What are you curious about? What might a farmer harvest?

Hear another interesting word in the story? Say it, explain it, then act it out.

2. Listen and remember

Where did Nissa go? What happened first? What happened next?

What was your favorite moment? Tell your helper why.

3. Pumpkin detective

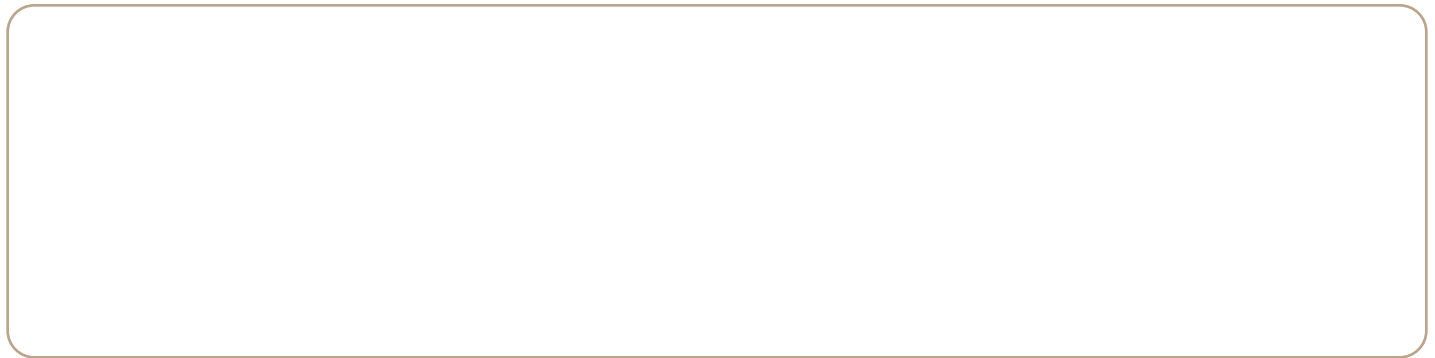

A pumpkin is a fruit because it grows from a flower and contains seeds.

Look at a pumpkin: name its color and shape. Find its stem and ridges.

Count five ridges, or ask your helper to show you the seeds.

4. Draw your own pumpkin

Give your pumpkin a name. Add a leaf, a vine or a friendly face!

5. Imagine your own adventure

Finish by talking or writing: "At the pumpkin patch, I discovered..."

Talk together: What would you like to do on your next family fall outing?
